CHARTER NORTH MIDDLE SCHOOL EXHIBIT PROUD DISPLAY OF HISPANIC HERITAGE & MULTICULTURALISM

Under the leadership of Principal Iliana D. Peña, the faculty and students entertained its community of learners; parents, siblings, friends and supporters at the North Miami Beach Performing Arts Theater. The program opened with a display of vistas & music from Latin America, by Mrs. Melendez, immediately followed by the student participation. Students

read poems, essays, and danced. They sang tributes to Cuba, Puerto Rico, Dominican Republic, Costa Rica, Honduras, Nicaragua, El Salvador, Panama, Colombia, Venezuela, Mexico and Spain. It appeared that every student had a role. The event's grand finale included a Multicultural Fashion Show and Band performance lead by student-conductor Carla. Below are highlights of pictures taken by once Jose Marti Park Aspirante Ana Macy, now Charter School's Registrar.
